### NEW BUSINESS

#### Coach's Report

- Coach Story reported lots of improvement is happening with the players, and the coaches are all looking forward to competing in the fall.
- A schedule was sent out to everyone regarding spring practices, just a reminder that there is no practice on Memorial Day.
- The Knight Knockout is happening 5/30 and the coaches will be involved, they will line fields & officiate. Everyone is looking forward to this event.
- The spring season will run 5/4 to 6/3, and the game will be held 5/28.
- The incoming freshman parent orientation meeting will take place on 5/28 at 5:30pm, before the game. Coach Story asked if the booster club would be there; yes, members of the booster club will have a table setup for member registration and sales of spirit wear items.
- The Coaching staff will be inviting the 8<sup>th</sup> graders to watch spring practices and would like to give them a free IHS t-shirt. Coach Story asked Kevin to provide some t-shirts that he can give away.
- Performance Course will be running a 6 week conditioning camp for the summer. Information was sent out to all players. Please register.

Kevin inquired about getting future events firmed up on the schedule, Coach Story will look into these events that were discussed:

1. Future Knight Night: TBD but possibly 9/11. All elementary and middle feeder school students will be invited to a special night just for them, they'll meet the players, go on the field, etc. Coach Story liked the idea and will look into it.
2. Homecoming: TBD but possibly 9/18.

3. Pink Out: TBD but possibly 10/9. Discussion took place regarding possibly doing this as a joint event with the opposing school for that night.
4. Senior Night: Last game of the season, 11/5. Discussion took place regarding length of the evening's ceremony. Would all groups be introduced (football, band, royals, cheerleaders, etc.)? Should we have a separate night for the ceremony and only introduce the football players the night of the game? Coach Story will follow up with Mr. Waligura to find out his plans.

#### Standing Committee Reports

Banquet: Kendall Saldana will find out if we are still required to hold the event on-site. She will also look into some options regarding a date.

No other committee reports.

#### Fundraising

Kevin reported on fundraising.

- Raising Cane's is on 4/23 at the Custer/121 location. A reminder will be sent out for this event, and also need to remind everyone to say they are with IHS so we can get full credit. A request was made to ask Cane's cashiers to ask customers "are you with IHS?", that may also help remind people.
- The Royals Drill Team wants to do 2 joint fundraisers with football. The first event is a fashion show (including some football players) with a silent auction. They want to hold this event on a Friday night, before Homecoming. There would be an entry fee and light hors d'oeuvres would be offered. More details will follow. Need a volunteer to organize this event with the Drill Team Booster Club, they requested to work with a mom on this.
- Player Yard Signs; Kevin will work with CV Creations to get some designs and pricing. A request was made that Kevin also look into Player Car Decals.

#### Marketing

Kevin reported on Marketing.

- Dainelle Baughman is updating the website and is including the Knight Knockout information.
- Tunnel Front: Kevin is going to look into getting the 5/1 discount date extended since we are not able to purchase the tunnel front at this time. Range of \$4,000 to \$6,000.
- Trailer: This is on hold too until we raise money to cover our costs. Trailer costs \$1,600 to \$2,000; wrapper costs \$2,000. Some discussion took place regarding selling sponsorship for the wrapper, but that is not an avenue we wish to pursue. There are plenty of other sponsor opportunities available.

#### Homecoming Mums

Kevin reported that the booster club has signed the contract with The Mum Shop for the fall.

#### The Rumble

Kevin reported that this event will be held on 8/15. All the booster clubs are involved. We will need a booth with membership registration & spirit wear, same as last year. The football players will then have a scrimmage.

#### Knight Knockout

Kevin reported on the status of this event.

The event is scheduled for 5/30. Kevin shared 2 t-shirt design options with the membership, it will be a grey shirt. This will be finalized next week. Bob Baughman is working on a layout for the event, he will need lots of volunteers and will be sending out information soon. There will only be one main entrance, other entrances will be blocked off.
